

Hot Paper Cups

Paper cups for hot coffee are the main product line of D.C. Paper.

The leading cup design, Café Marble, is trendy, young stylish, and attractive. This has made it very popular among coffee lovers.

The Café Marble line is made of a single poly-lined heavy board and excels in quality and design.

The Café Marble line is the most attractive line of hot cups in Europe today.

High quality and contemporary design make it the leading hot cup in the coffee shops market.

The Café Marble design is available in all the popular sizes from 4oz to 16oz.

The Café Marble line includes individually designed lids that securely fit each size of cup.
